Hi everyone,

As requested, I am sending this email to alert you that the FIP is now with OAR for Janet's review. I am asking for your assistance in expediting review through OP and OMB to any extent possible. Let me know if you have any questions.

Thanks,

Dee

Carissa,

Here is the proposed action for OAR's review, concurrence, and transmission to the Office of Policy for OMB review. OGC has concurred, as you can see in the attached email from Elliott Zenick below. Included are drafts of the NPRM, action memo, and fact sheet, revised versions from those sent on March 24th by Regina Chappell, as a result of OGC comments (including a change to the title of the proposed rule, which has been updated in ADP Tracker). Also included is the previously submitted OMB transmittal memo signed by the Region 8 Administrator. Please note that the OMB transmittal memo contains the earlier title of the proposed rule and has not been updated with revised nuances based on OGC comments. Let me know if you will need an updated OMB transmittal memo signed by the RA.

Below is a list of the names of everyone who has reviewed the NPRM. Janet McCabe provided a preliminary review and comments back in January. I have attached an earlier version of the NPRM that shows how we addressed Janet's preliminary comments. Much of the NPRM has been revised since then, so a document compare with the attached clean version would likely be very messy and not very helpful.

Bruce Moore, OAQPS

Jodi Howard, OAQPS

Charlene Spells, OAQPS

Greg Nizich, OAQPS

Chris Stoneman, OAQPS

Benjamin Wells, OAQPS

Alex McPherson, OAQPS

Cheryl Vetter, OAQPS

Geri Garwood, OAQPS

Laura Mckelvey, OAQPS

Mike Koerber, OAQPS

Jan Gilbreath, OP

Rick Vetter, OGC

Tod Siegel, OGC

Amy Branning, OGC

Elliott Zenick, OGC

Joe Goffman, OAR

Debbie Jordan, OAR

Please let me know if you need anything else to move this action forward.

Thanks,

Claudia

I had one last change, which Claudia has made. Go ahead and send to Janet.

Hi Elliott –

Thanks again for looking at this. As discussed in our exchange of voice mails, attached is a cleaned-up version of the FIP that leaves your most recent comments and Claudia's responses so that you can quickly assess things. It's also on Sharepoint; if you need to make edits, Sharepoint would be the preferred approach, but if necessary feel free to edit this version and send back. But we hope that this addresses your comments sufficiently; if it does, would you let us know whether you concur? If you do, we'll send a cleaned-up version to OAR for Janet's review.

Thanks again for your help. (And my thanks to Claudia for doing all the work on this end.)

Mike
